

First time Deco

You are about to enter a world of unique and wonderful experiences and we guarantee you'll be back for more!

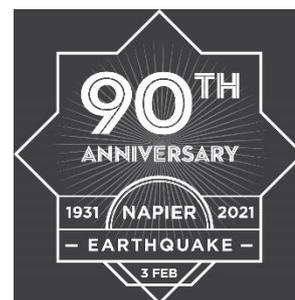

The Friday night with the Stars is a great starting point to the Festival. Simply wander around and soak up the atmosphere in the Napier City Centre. There's a great line up of swinging entertainment in the Sound Shell. There's also Memorial Flying Display in the evening over the Napier Foreshore which is a sight not to be missed! If a little bit of speakeasy is more your style, don't miss the Prohibition Pop Up where you can party with bootleg liquor, music and live entertainment.

On Saturday morning, enjoy Brunch at the County to start your day in true Art Deco style. The Vintage Car Parade at lunchtime is a fabulous and fun event to see and watch the incredible array of vehicles on show. The vintage cars crawl through the city centre from Clive Square to Marine Parade via Lower Emerson St and upper Emerson St, finishing at the Napier Sound Shell where they are on display for the duration of the festival for a closer look.

Perhaps grab some tickets for one of the toe tapping dinner and dance events such as Barrels & Bootleggers Wingding in the Festival Marquee or perhaps take in a comedy show at the MTG. Whichever you choose, you will be carried back to the roaring 20s and enjoy a great night out!

One of the highlights and a popular Festival event is the Soap Box Derby on Sunday morning where children and parents race their home-made carts to the delight of the crowd who come to watch and cheer them on. After the excitement of the Derby, wander across to the foreshore, perhaps with a picnic and enjoy the sounds and sights of the Gatsby Picnic. Or join the Gatsby VIP Picnic Lunch and enjoy a light lunch overlooking the ocean and let your eyes wander to the magnificent view as far as Cape Kidnappers. For a grand finale of Festival, join your fellow Deco-ites for a farewell to Deco at the Deco Best Bits, a fun and relaxing evening showcasing entertainment and performers from throughout the festival. An evening show not to be missed!
